

"NEW" PTC for 2020

Get equipped to faithfully handle God's word!

What is PTC?

PTC is a correspondence course offered by Moore College with a range of subject. Whilst they are mostly on the books of the bible, there are also some overview subjects and a few courses on church history, apologetics, ethics and doctrine.

PTC is great course as it provides a framework so we can better understand the meaning and the message that God intended for us.

With many of us spending more hours "at home" during the current Covid crisis, there is no better time to dig deeper into God's word and challenge yourself with some online learning!

While PTC is great for anyone, it is particularly rewarding if you are involved in any capacity as a ministry leader or are teaching God's word to others (even your kids!).

What does it cost? - (very little!)

Moore college has dropped the enrolment price to just \$25 until the end of May – this includes online course notes, quizzes and resources, and a marked multiple-choice online exam at the end of the subject.

Also included is *Moore Access* for all 6 PTC Level 1 foundational subjects. This is included at no additional cost!

Add a printed course note booklet - \$20.00 - a valuable resource to keep!

Exams are now multiple choice and online.
